SUBJECT NO. 353.

Appointment of a Commission to enquire into the existing state of Government service.

Mr. H. V. Rangasamy, Hassan taluk.

Summary of discussion.—A Commission consisting of officials and non-officials may kindly be appointed to enquire into the following matters and recommend such changes as it may deem fit:—

(1) The cause of the present discontent and the consequent deterioration in the service.

(2) The methods of recruitment, the system of training and probation.

(3) The enormous expenditure incurred in respect of travelling allowances, batta, etc.

Mr. K. H. Ramiah supported the proposition adding that there was great discontent in the service. There was also great and growing disaffection between Brahmins and non-Brahmins. The tendency should be checked.

Mr. H. Krishnasastri.—Supersessions should not be allowed in the higher grades. In the lower service there should be proper emoluments to avoid corruption.

Reply of Government.—Noted.
